TEMPLE WOODS

ROCHESTER

WELCOME TO TEMPLE WOODS

**OUR BRAND NEW HERITAGE COLLECTION OF 3 AND 4
BEDROOM DETACHED, SEMI-DETACHED AND TERRACED FAMILY
HOMES.**

Situated near the scenic River Medway in Strood, close to the charming, historic town of Rochester, Temple Woods enjoys the best of both worlds, offering picturesque surroundings yet with amenities aplenty and enviable transport links for commuters.

AN INSPIRED **NEW HOME**

Explore what makes this
Heritage collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this Heritage collection offers the best of both worlds.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this, combined with the modern, high end interiors we pride ourselves on, that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run the whole way round the property. These features add grandeur and depth to the front of the home and provide an anchoring effect.

ENJOY THE **AREA**

Medway Valley Leisure Park is home to a range of popular family restaurants, including Frankie & Benny's, while the town centre has a wide selection of highly recommended restaurants for all tastes and budgets. Try Naz's Rasoi, Bas Bar Indian or the Diamond Garden Chinese.

Across the river, Rochester Town Centre has a huge number of restaurants to meet the demands of the tourist trade, with many housed in delightful ancient settings.

ENJOY AN ACTIVE **LIFESTYLE**

Medway has so much to offer for your leisure time, from a host of historic sights, to modern leisure facilities. Visit Rochester Cathedral or Rochester Castle, follow the Dickens trail around the many medieval buildings in the town, or step aboard a fascinating range of vessels at Chatham Historic Dockyard. Watch out for the famous Sweeps Festival every spring, or the classic Dickensian Christmas in the town.

On a more modern note, Medway Leisure Park offers a multi-screen cinema, ten-pin bowling and the unique Diggerland, all within easy reach of Temple Woods, along with the superb sports facilities of Medway Park Sports Centre. Golfers can take on the challenge of Rochester and Cobham Park Golf Club, park of the vast open spaces and woodlands of Cobham Park, just the other side of the M2.

OPPORTUNITIES FOR LEARNING

Education has been key to the area for over 1400 years, with Rochester home to the second oldest continuously occupied school in the world. The independent Kings School, established in 604AD, provides high quality private education for children of all ages. The area is also well served by state schools, with the OFSTED 'outstanding' rated St Nicholas CofE Infants within easy reach of Temple Woods, along with Cedar Primary and Elaine Primary.

Older children are well served by the popular Strood Academy, just round the corner on Watling Street, which was recently rated 'good' in their latest OFSTED report. The University of Greenwich also has a campus in the town.

GETTING AROUND

Strood station has regular services to London St Pancras, with a journey time of just 35 minutes. Cuxton Station, to the west of Strood, has regular trains to Maidstone, taking just 19 minutes.

Temple Woods lies just minutes from junction 2 of the M2, with the London Orbital M25 just 12 miles to the north west. London is 30 miles and Maidstone 11 miles. Channel Tunnel trains can be accessed at Ashford, just 30 miles away, with vehicular access at Folkstone, 42 miles away. Car and foot passengers can take a ferry from Dover, 48 miles away, taking you to Calais, Dunkirk or Boulogne.

WE PUT MORE IN

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
