

Tabley Green

A PLACE FOR LIVING

Tabley Green, Fulwood

NOT JUST A PLACE TO LIVE, BUT A PLACE FOR LIVING

Nestled on the north west edge of Preston, yet overlooking miles of open farmland, Higher Bartle is perfectly placed for both business and leisure. It truly offers the best of both worlds, just like the superb Heritage Collection homes Redrow are building there, combining traditional craftsmanship with modern, family friendly interiors.

From Tabley Green you can enjoy all the facilities and connections of the bustling city or head to the endless beaches of the Fylde Coast – the choice is yours.

WE PUT MORE IN, SO YOU CAN GET MORE OUT

At Redrow we work hard to contribute to the existing facilities and create new ones, to dovetail our development into the local community. Below are some of the community benefits installed at Tabley Green...

- Semi-Rural Location
- Great Transport Links
- Great Local Amenities
- Development With Community Feel
- Stunning Heritage Collection Homes
- Named Best in Lancashire at the UK Property Awards

SPEND LESS TIME TRAVELLING

The M6 and M55 are both easily reached for swift connections across the North West of England, making Tabley Green a great base for commuters. From Preston station you can access West Coast Mainline trains to London in as little as 2 hrs 15.

SPEND MORE TIME TOGETHER

There's a Sainsbury's Local close by and a broader range of shops in Fulwood, including a branch of the upmarket grocery chain, Booths. And, of course, Preston city centre is easily reached. And when pubs, cafes and restaurants reopen, Tabley Green residents will be spoilt for choice with plenty of options in Fulwood itself, and Preston.

ENJOY A HEALTHY LIFE

Our development includes nearly two acres of open space, providing plenty of opportunities for residents to enjoy the outdoors. Features of the green areas include a landscaped attenuation pond, with fertile opportunities for wildlife and biodiversity to flourish. In addition, the Guild Wheel circular cycle route passes close to the development; this 21-mile route is mainly off-road and traffic free, providing scenic and safe cycling and walking options for all the family.

While lockdown has been a time for solitary runs, walks and cycle rides and online fitness sessions, many will be looking forward to when they can get back to the gym and organised sport. The good news for Tabley Green residents is that Fulwood Leisure Centre has a pool, squash courts, gym and fitness studio for group sessions. Ingol Golf Course is even closer.

EDUCATION

There's a choice of 'good' rated primary schools just a short drive from Tabley Green and several secondary schools in the area for older children, including the 'outstanding' Our Lady's Catholic High School, in Fulwood.

BEE FRIENDLY

To underline our commitment to the environment and to a sustainable future for us all, Redrow are proud to have partnered with the **Bumblebee Conservation Trust**. We're working together on a series of projects across the UK, from our show home gardens to large scale landscaping which will help to protect our precious bumblebee population by planting bumblebee friendly plants. We've also developed a series of leaflets about why bumblebees are important and how you can turn your own garden into a bumblebee haven.

Find out how bee-friendly your garden is by using the Conservation Trust's Bee Kind app. Select the flowers that you have in your garden to calculate your score and then receive a tailored list of 10 more flowers to add to help the bees even more.
