THE EASY WAY TO MOVE

Choose Mastermove and Redrow will sell your house for you, taking care of all the paperwork and even helping out with a contribution towards your estate agent's fees.

We aim for a sale within just 4 weeks, so you can start enjoying your brand new Redrow home as soon as possible.

THE BENEFITS OF MASTERMOVE

Now that you've picked the perfect Redrow home, you need to sell your old house fast. But with most estate agents these days, selling fast isn't that easy.

That's why we've introduced Mastermove.

NO RESTRICTIONS

Mastermove can be used to sell any home, including flats, maisonettes, ex-council homes, leasehold properties and unusual houses.

NO PRICE DIFFERENTIAL

Unlike Part Exchange, Mastermove does not require a difference in price between your old house and your new Redrow home, so you can use Mastermove to downsize or side step as well as to move up.

NO HASSLE

We will take care of everything for you, helping with paperwork, liaising with the estate agents and ensuring everything runs smoothly, so you can sit back and relax.

* The contribution towards estate agent's fees will vary depending on the property being purchased. Please ask our Sales Consultant for full details. Please note, if having sold your property through Mastermove, you decide for any reason you no longer wish to proceed with the purchase of a Redrow home, then in the normal way you become responsible for the full amount of your estate agent's fees. If a customer completes on their related sale prior to completion of their Redrow home they must pay the estate agent's fees in full and the Redrow fee contribution will be reimbursed upon legal completion. Details correct at time of going to print.

** Selected plots only, see Sales Consultant for further details.
